

## *Lunchtime Recital 5<sup>th</sup> December – Alison Eales & Anna Le Hair*

It's always a pleasure to have Anna come to us. She partners with a number of musicians, and today it was Alison Eales and her clarinet.

The programme ranged from classical to cinema, a little jazz, and ended decidedly Christmassy - with Alison joining Anna at the piano for the Love Theme from the Godfather and the two carol duets arranged by Pauline Hall.

And as ever we enjoyed both the music and their introductions to the pieces they had chosen.
